Rugged • Time-Tested • Weather-Tested

APP TORCH BASE PREMIER

An APP modified bitumen roofing membrane base sheet, reinforced with a fiberglass mat, saturated and coated with a polymerized asphaltic compound having exceptional waterproofing and weatherability characteristics. The top and bottom surfaces of APP Torch Base Premier are finished with a poly film.

BASIC USES

APP Torch Base Premier Membrane is designed for application as either a mechanically fastened or heat-welded (torch) applied base or interplay sheet. Applications include new roofing, recover (retrofit) and flashing detail. The system must be installed over an acceptable substrate or as part of a multi-ply system. APP Torch Base Premier Membrane may be used as a base sheet for self-adhered modified bitumen systems. It is not intended to be installed directly to a combustible substrate.

PRODUCT BENEFITS

- Proprietary APP compound with exceptional weathering characteristics
- Puncture and tear resistance
- Superior flexibility and dimensional stability
