Rugged • Time-Tested • Weather-Tested

APP TORCH S PREMIER

A premium, polyester reinforced APP modified bitumen roofing membrane designed for heat-welded (torch) applications. Constructed with premium Atactic Polypropylene resins and incorporating superior polyester reinforcing, APP Torch S Premier provides an easy-to-install, long-term weathering durable roofing solution. APP Torch S Premier has a sanded surface and a polyolefin backing. APP Torch S Premier exceeds all minimum ASTM standards for tensile strength, puncture resistance and flexibility.

BASIC USES

APP Torch S Premier membrane is designed for application as a heat-welded (torch) applied base, interply or cap sheet or flashing. Applications include new roofing, recover (retrofit) and flashing details. The system must be installed over an acceptable substrate or as part of a multi-ply system. It is not intended to be installed directly to a combustible substrate.

PRODUCT BENEFITS

- Exceptional weathering characteristics
- Puncture and tear resistance
- Low-temperature flexibility
- Exceptional tensile strength and elongation properties
- Top surface is sanded and has a light brown color

D6222 TYPE I, GRADE S
