System APP Torch ^{4,5}	20 Years	Commercial	SA- Base or APP Torch Base ¹	SA Base Sheet ^{1,2}	SA or SBS or APP Cap APP Torch G ³	No Dollar Limit	\$0.10	\$750.00

Important Warranty Notes:

Current Warranty fee schedules are as listed. Note: Any applicable taxes will be added to your warranty fee. Please contact MuleHide for pre-approval when applying for any non-published Warranty timeframes.

¹ When applying membranes over non-acceptable substrate, the MuleHide Nail Base must be mechanically attached to the deck prior to installing the SA Base Sheet or SA Cap Sheet. (Since the Nail Base is perforated, it cannot be counted as a water proofing layer)

² When applying for 20-year warranty, a total of 2 plies of Base is required prior to installing the Cap Sheet.

³ All warranties require the use of a granulated Cap Sheet.

⁴ Labor and Material

a. Requires use of all MuleHide labeled products including insulation; insulation fasteners, plates and MuleHide approved manufactured metal components when requested as part of the Warranty.

b. These warranties are only available to MuleHide Warranty Eligible Applicators.

c. MuleHide System Warranties are offered only on new construction and total tear-off systems, or for recover (retrofit) systems when a moisture survey has been performed and accepted by MuleHide. Acceptable survey types are nuclear, infrared, conductive and core cuts. Results of the moisture survey must be submitted with the Warranty application for recover applications. All wet roofing materials found in the survey must be removed.

⁵ Distributor Invoices are required.

MuleHide Warranties are only valid when components are installed according to manufacturers' specifications. Always refer to MuleHide Application Guidelines for additional information.
