### Important Warranty Notes:

Current Warranty fee schedules are as listed. Note: Any applicable taxes will be added to your warranty fee. Please contact Mule-Hide for pre-approval when applying for any non-published Warranty timeframes.

<sup>1</sup> When applying membranes over non-acceptable substrate, the Mule-Hide Nail Base must be mechanically attached to the deck prior to installing the SA Base Sheet or SA Cap Sheet. (Since the Nail Base is perforated, it can not be counted as a water proofing layer)

<sup>2</sup> System warranties are only available to Mule-Hide Warranty Eligible Applicators.

<sup>3</sup> System warranties require the use of all Mule-Hide labeled components, products supplied by Mule-Hide or approved in writing prior to installation of the system.

**Mule-Hide Warranties are only valid when components are installed according to manufacturers' specifications. Always refer to Mule-Hide Application Guidelines for additional information.**
